

THE NEW EVOLUTION OF APPRENTICESHIP

Enhanced Skills Development for a Better South Carolina

Apprenticeship Carolina™, a division of the SC Technical College System, works to ensure all employers in South Carolina have access to the information and technical assistance they need to create demand-driven registered apprenticeship programs. At **no cost to the employer** apprenticeship consultants are available to guide companies through the registered apprenticeship development process from initial information to full recognition in the national Registered Apprenticeship System.

BENEFITS OF A REGISTERED APPRENTICESHIP PROGRAM

For the Company

- Talent pipeline of highly skilled workers
- Standardized skills training
- Reduced turnover
- Increased productivity
- State tax credit

For the Apprentice

- Earn while you learn
- Gain real work experience
- Develop high-demand skills
- Earn a nationally-recognized credential
- Wage progression tied to new skills
